## Events

---

**Shooters Waltz**- roll the dice, start your plane and taxi the course, takeoff, perform a Loop, a Roll, and land, roll the dice again until you roll your original number.

**Grab Bag Acrobatics**- perform 4 aerobatic maneuvers picked randomly from a grab-bag.

**Limbo/pylon race (“Lim-lon”)**- Timed event flown like a regular pylon race but on the back stretch of each lap the plane must do one complete loop and on the front stretch the plane must be below a certain altitude designated by a single limbo poll. Flown one at a time.

**Climb and Dead Stick Loop (“Dead Man Flop”)**- 30 Second climb to a dead stick loop contest. Whom ever can complete the most number of loops before landing/crashing wins. Landing on the field is optional! A spot landing will be a tie breaker.

**Touch-n-Go’s**- 2 minutes to do as many as you dare! Each contestant must complete a full 180 degree turn before each touch down.

**Spot Landing**- You pick when you want to do this one (other than the “Dead Man Flop”), only 1 chance to shine.
